Subject: Request for Proposal RD-10-67 for Project 09017
dated 13 January 1967

Gentlemen:

In response to subject Request for Proposal, [Redacted] is pleased to provide herewith two (2) copies of a Cost-Plus-Fixed-Fee, Research and Development type proposal for services to accomplish the development objectives for your Material Handling Study Project. Said services will be provided in accordance with the Technical Description, Enclosure 1 hereto, by a Contractor-Team arrangement consisting of [Redacted] proposes to be the prime contractor and will assume full responsibility for contractual performance.

As you have requested, all copies of the letter and enclosures which comprise your Request for Proposal, are being returned to you. We appreciate the opportunity to submit this proposal and feel we are eminently qualified to perform to your requirements. If we can be of further assistance, or if questions arise, please contact the undersigned.

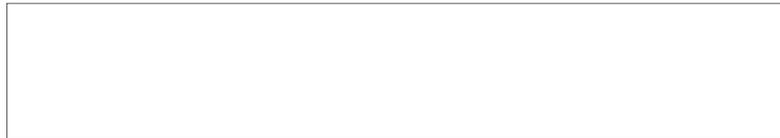

Very truly yours,
